Good Evening Sgt. Godoy

I did let you know that I would keep you updated with how everything goes so far here is my timeline.

Customs and Border Protection Timeline

3/30/2017 Applied for CBPO

3/31/2017 Assessment

4/8/2017 CBP Officer Entrance Exam

4/24/2017 Notice of Results (pass 86)

5/4/2017 Tentatively selected

5/5/2017 Electronic Questionnaires for Investigations Processing

5/8/2017 Pre-Employment Medical Exam

6/29/17 They asked for an extensive medical report from my primary care physician that I've asked for an extension on.

Next month I have my structured interview.

I still have not done a Drug Screening or Polygraph Test.

Hopefully this process goes smoothly and I have been following a workout for running and to make sure I can pass both physical tests.

If you have any words of wisdom that you would share with me I am more than ready to listen.
